

Invitation

How to PrEP: a comprehensive guide to prescribing HIV Pre-Exposure Prophylaxis

An educational event for GP's providing evidence-based information on prescribing HIV Pre-Exposure Prophylaxis in the community.

Presenters:

Dr Vincent Cornelisse - Sexual Health Physician, Melbourne Sexual Health Centre and Prahran Market Clinic and co-author of the Australian PrEP Guidelines

Dr Louise Owen - Director Sexual Health Services Tasmania

Presentation:

- Evidence on Effectiveness of PrEP
- Potential problems with PrEP
- How to guide delivering PrEP in clinical practice

Case Discussions:

- Starting in setting of recent HIV exposure
- Indeterminate HIV tests during PrEP use
- HIV seroconversion during PrEP use
- Declining eGFR or urine protine during PrEP use
- PrEP for adolescents

After this session attendees will be able to:

1. Prescribe PrEP in accordance with the ASHM Australian PrEP Clinical Guidelines
2. Assess a patient's HIV risk
3. Describe potential contraindications to starting PrEP
4. Implement a system for appropriate ongoing monitoring for a patient on PrEP
