

Our eTender portal

Primary Health Tasmania's tendering processes are managed electronically through our eTender portal: www.tenderlink.com/primaryhealthtas.

The free portal ensures fair and equal opportunity for interested organisations to access up-to-date information about current tenders.

We manage tender notifications, distribute tender documents, conduct online forums, evaluate submissions and select successful bids via the portal, which is hosted by TenderLink.

TenderLink is a central gateway for the advertisement and management of tenders published by more than 500 government, public and private sector procurers across Australasia.

Why should I register?

- Receive immediate email notification of all new tenders, relevant to you, published by Primary Health Tasmania.
- Get immediate access to tender documentation, enabling you to understand the scope and details of the tender at the earliest possible stage.
- Be able to complete and submit bids online, thereby saving time typically associated with printing and delivery.
- Receive a system-generated receipt of acknowledgement when you submit a bid.
- Access the online forums made available for use by all registered participants for a published tender.

How do I register?

- Go to www.tenderlink.com/primaryhealthtas.
- Click on the 'Registration' tab on the menu bar at the top of the page.
- Complete the registration wizard by answering questions when prompted by the system.
- Call or email TenderLink direct on phone 1800 233 533 or email support@tenderlink.com if you need help with registering.
