

Invitation

For GPs, nurses and authorised immunisers

RACGP Activity No. 154510

Primary Health Tasmania invites you to a seminar providing up-to-date, evidence-based immunisation information for healthcare professionals.

Presented by:

Dr Leanne Jones - GP

Director - Immunisation Coalition

Dr Faline Howes

Clinical Director, Communicable Disease Prevention Unit - DHHS

Nikole Lane

Clinical Nurse Consultant, Population Health Service - DHHS

After this session, attendees will be able to:

- describe the changes to the National Immunisation Program and Tasmanian Government-funded program
- identify the requirements for measles notification
- describe the most effective use of vaccine to reduce the morbidity and mortality of pertussis
- describe the most effective use of vaccine to reduce the morbidity and mortality of meningococcal disease.

How to RSVP:

CLICK HERE and complete the registration details.

Online registration is confirmed immediately in our booking system and is our preferred method of RSVP.

Once registered, if you find you cannot attend please call to cancel.
