

Invitation

Cardiology in general practice: management and referral update

GPs are invited to an education and networking event in Hobart on the evening of Tuesday 20 August

Topics:

- Management of heart failure
- Management of atrial fibrillation
- Using Tasmanian HealthPathways to:
 - Manage cardiology patients
 - Improve cardiology referrals
 - Provide interim management while waiting for Royal Hobart Hospital Outpatients clinic appointment (eg: category 2/3)
- eReferral Proof of Concept project

Speakers:

- Dr Nathan Dwyer, Cardiologist
- Dr Jonathan Lipton, Cardiologist
- Dr Graeme Bleach, General Practitioner and Clinical Editor, Tasmanian HealthPathways
- Russell Bowden, Manager, Primary Health Workforce Support, Primary Health Tasmania
