

Invitation

GP Networking event

Genetic carrier screening and early pregnancy/fetal screening

For GPs

This event will officially launch the GP Pregnancy Care Record (revised September 2019)

Following this session attendees will be able to:

- Explain the who, what, where and how of Genetic Carrier Screening as it relates to pregnancy care.
- Describe the options and timing of screening for fetal abnormalities
- To explain the approach to counselling women and their partners regarding screening options in pregnancy.

Speakers

Dr Mathew Wallis (Consultant Clinical Geneticist) and Julia Mansour (Senior Genetics Counsellor) from the Tasmanian Clinical Genetics Service - Topic: **Genetic Carrier Screening**

Dr Ben Dhanaraj (Consultant Obstetrician)-Topic: **Early pregnancy/foetal screening**
