

# Invitation

## MBS Review Update and Discussion

**Tasmanian specialists are invited to join Professor Bruce Robinson, Chair of the MBS Review Taskforce, who will provide an update on the MBS Review and offer an opportunity for questions and discussion.**

At the launch of the 2015 MBS review process PHT held a number of consultation workshops in partnership with the MBS review taskforce. This was a valuable opportunity for state-based stakeholders to receive information about the Review and ask questions on areas of interest. As the Taskforce work starts heading towards conclusion, these events provide a forum that discusses some of the key work of the Taskforce.

With over 70 clinical committees and 700 doctors involved in the review, it has been a large undertaking and the first time the entire MBS has been the subject of an end-to-end review of all items since inception of the scheme.

These events will allow for Professor Bruce Robinson, Chair of the MBS Review Taskforce, to meet with Tasmanian specialists, general practitioners and other stakeholders to provide an update on the MBS Review and offer an opportunity for questions and discussion.

### How to RSVP

**Hobart** [CLICK HERE](#) and complete the registration details.

**Launceston** [CLICK HERE](#) and complete the registration details.

When registering, you will be prompted to note any areas of interest or particular questions you would like addressed.
