General practitioners

Optimising patient health to improve surgical/procedural outcomes

Webinar

Tuesday 7 May

6.30-8.30pm

Primary Health Tasmania and Royal Hobart Hospital (RHH) welcome GP colleagues and anaesthetists to an opportunity for open conversations on patients awaiting surgery. The 'wait list' has the potential to be a 'preparation list' to optimise patient health while awaiting procedures.

General practitioners

The GP's role in eating disorders: the impact of early identification and initial response – session one

Webinar

CPD accredited (RACGP, 1 hour educational activities)

Wednesday 8 May

6.30-8.30pm

Primary Health Tasmania, the Tasmanian Department of Health, the National Eating Disorders Collaboration and the Butterfly Foundation are providing a series of webinars aimed at empowering Tasmanian health professionals with the education, tools and awareness needed to navigate the complexities of eating disorders and intervene effectively.

General practice Digital roadshow

For GPs, practice nurses and practice managers

Burnie

Wednesday 28 May

6.30-9pm

Launceston

Thursday 29 May

6.30-9pm

Hobart

Wednesday 30 May

6.30-9pm

This digital roadshow facilitated by Primary Health Tasmania and the Tasmanian Department of Health will include information on key digital updates while providing an opportunity to network over dinner. Topics covered will include national and state digital reforms and tools, how they support patient care and what is coming in the future.

Allied health professionals

Suicide prevention training for pharmacists/pharmacy assistants/pharmacy students – session one

CPD accredited (2.5 hours)

Hobart

Friday 31 May

2-5pm

This 2.5-hour face-to-face session is an interactive, case-based workshop enabling peer discussion alongside the development of practical skills. This training aims to increase pharmacists' skills and confidence in recognising signs warranting further exploration for suicidality, talking with someone who may display suicidal signs and symptoms, and understanding of the various referral options. This is a collaboration funded by Primary Health Tasmania, with the Black Dog Institute, Pharmacy Guild of Australia and Pharmaceutical Society of Australia.

There is no cost for participation in these events, thanks to funding from the Australian Government under the Primary Health Networks program
