## Allied health professionals

### Suicide prevention training for pharmacy – session one

For pharmacists, pharmacy assistants and pharmacy students

Webinar

CPD accredited (2.5 hours)

**Tuesday 25 June**

6.30-9pm

This 2.5-hour session is an interactive, case-based workshop enabling peer discussion alongside the development of practical skills. This training aims to increase pharmacists' skills and confidence in recognising signs warranting further exploration for suicidality, talking with someone who may display suicidal signs and symptoms, and understanding of the various referral options. This is a collaboration funded by Primary Health Tasmania, with the Black Dog Institute, Pharmacy Guild of Australia and Pharmaceutical Society of Australia.

## Multidisciplinary

### Initial Assessment and Referral (IAR) for mental health care

Webinar

**Wednesday 14 August**

12-2pm

**Tuesday 27 August**

6.30-8.30pm

The workshop provides the background and orientation to stepped care, the initial assessment and referral process, and the decision support tool. In the second half of the workshop, participants engage in practical activity focusing on applying the IAR decision support tool to the prepared scenario.

GPs and GPs-in-training who complete the two-hour training will be eligible for a one-off payment of \$300 as remuneration for their time, unless the GP is employed full time with a government-funded service.

## Multidisciplinary

### Cultural awareness training

Launceston

**Session one– Thursday 12 September**

9am-3pm

**Session two – Saturday 14 September**

9am-3pm

Hobart

**Session one– Thursday 19 September**

9am-3pm

**Session two – Saturday 21 September**

9am-3pm

Burnie

**Thursday 26 September**

9am-3pm

Devonport

**Saturday 28 September**

9am-3pm

The Tasmanian Aboriginal Centre's cultural competency training program provides comprehensive knowledge of Tasmanian Aboriginal history, continuing culture, and the ongoing impact of colonisation. It encourages understanding of Aboriginal rights and provides the context for the delivery of culturally appropriate services for Aboriginal people. tipara waranta kani nina-tu is for anyone who employs, works alongside, or engages with Aboriginal people and community. It is also for individuals and businesses whose products and services are directed towards or feature Tasmanian Aboriginal people, history, or culture.

## Multidisciplinary

### Driving and dementia

For GPs and practice nurses

Webinar

CPD pending (RACGP 1.5 hours educational activities)

**Monday 23 September**

6.30-7.30pm

GPs are often front and centre when the driving ability of a person living with dementia is in question. At this webinar you will hear practical tips from expert GP medical educators about the importance of beginning this conversation early, involving family and care-partners in the process, appropriate use of cognitive assessment tools and ongoing reassessment.

There is no cost for participation in these events, thanks to funding from the Australian Government under the Primary Health Networks program
