MULTIDISCIPLINARY

Palliative Care ECHO series – grief and bereavement

Webinar

Tuesday 19

1-2pm

Palliative Care ECHO is a series of interactive case based virtual mentoring sessions that address a range of palliative care topics. The session will include a deidentified case discussion to provide a foundation for learning, along with a 10 minute lecture aimed to increase palliative care knowledge, skills and confidence in primary care health professionals

There is no cost for participation in these events, thanks to funding from the Australian Government under the Primary Health Networks program
