MULTIDISCIPLINARY

Statewide Mental Health Services grand rounds

Webinar

Thursday 2 October

Thursday 9 October

Thursday 16 October

Thursday 30 October

1-2pm

The Statewide Mental Health Services (SMHS) multidisciplinary Grand Rounds, held in collaboration with the Centre for Mental Health Innovation and the Statewide Mental Health Services Education and Practice Development Unit, are open to all health professionals with an interest in mental health.

MULTIDISCIPLINARY

Asthma in Spring – Vic/Tas collaboration

Webinar

Thursday 16 October

6.30-8pm

In collaboration with the National Asthma Council and the Victorian Tasmanian PHN Alliance, this session will focus on spring time asthma and allergic rhinitis and how to manage both conditions using the latest evidence-based guidelines. This session will also explore resources to help prepare your practice and patients for the thunderstorm asthma period.

GP CLINICAL EDUCATION

Understanding and management of Type 1 & Type 2 Diabetes in younger patients

Webinar

Monday 20 October

6.30-8pm

Paediatric Endocrine and metabolic health, including diabetes mellitus, as a core component of Australian general practice. GPs play an important role in the early diagnosis, ongoing management and coordination of care for type 1 and type 2 diabetes. The prevalence of type 1 diabetes in children and young adults is comparatively high compared to older people and cases of early-onset type 2 diabetes are increasing rapidly. GPs must be equipped with the knowledge and skills to appropriately screen for, diagnose and manage these conditions.

GP CLINICAL EDUCATION

Beyond the Test: Navigating Cancer Screening Follow-up

Webinar

Tuesday 21 October

6.30-8pm

In partnership with the Australian Centre for the Prevention of Cervical Cancer, Cancer Council Victoria and the Victoria and Tasmania PHN Alliance, Murray PHN is hosting a webinar for GPs and practice teams across Victoria and Tasmania to ensure you are up to date with the latest in cancer screening follow-up. This session will cover cervical screening follow-up, bowel cancer screening follow-up and a whole practice approach to screening follow-up.

GP CLINICAL EDUCATION

Aged Care Reform Update for GPs: New Strengthened Aged Care Quality Standards

Webinar

Wednesday 29 October

7-8pm

Aged Care Reform Update for GPs is a 3-part webinar series. Session One will focus on the New Strengthened Aged Care Quality Standards.

The new strengthened Aged Care Quality Standards, including a new focus on clinical care and food/nutrition, will take effect from 1 November 2025 under the new Aged Care Act. While the standards are designed for aged care providers and their staff, General Practitioners (GPs) are integral to delivering high-quality care to older people, making an understanding of the new requirements, particularly regarding clinical care, crucial for providing effective and person-centred services.
